

# National Volunteer Programme SUMMER Social Internship 2018

## CONCEPT NOTE:

National Volunteer Programme is announcing Social Internship 2018 this summer for the University students enrolled in their study programme

## About Social Internship:

Social Internship Programme comprises of 8-weeks cycle. The Internship spell runs from 1<sup>st</sup> June to 31<sup>st</sup> July 2018. NVP Volunteer Intern would be provided with a position based on his/her interest and career devotion. To be part of Internship a candidate should be proficient in required field and be familiarize with knowledge of computer language and Ms. Office applications.

## Purpose of Internship:

The Internship programme aims at providing students with the opportunity to gain practical exposure of working in community service organizations. They get hands-on experience during semester breaks from Universities. All NVP Partner institutions will get an opportunity to avail professional assistance by NVP Interns.

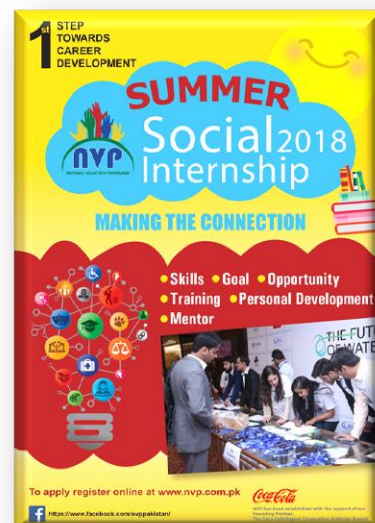

## How it Works:

NVP Intern upon selection would be assigned at one of NVP partner institution. The Intern is supposed to spend minimum of 20 Hours a week and complete their assignment in 6 week term. NVP will issue a certificate upon completion of 120 Hours in minimum of 6 weeks (except partner institution has different needs of 150 or 180 hours). Those who qualify would then be invited to an Appreciation session for awarding certificate and recording their feedback.
